Re: Board Meeting and Travel Dates for 2026

Per the ARIN 2025 Board Standing Rules, "Board Meeting for the Year: The ARIN Board of Trustees will adopt preliminary meeting dates for the coming year at their annual August Board Workshop."

Here are the recommended dates for the upcoming 2026 year:

- Wednesday, January 27 – Thursday, January 28, 2026 (if you choose to collocate with the AC meeting)
Location: Possible San Francisco, CA
- Sunday, April 19, 2026
Prior to ARIN 57 (Louisville, KY)
- Monday, August 17 – Tuesday, August 18, 2026
Location TBD
- Wednesday, October 21, 2026
Prior to ARIN 58 (Miami, FL)

Note that the Advisory Council dates are dictated by their Standing Rules, "The ARIN Advisory Council will hold its first meeting of the year in person, on the 4th Friday of January, unless otherwise agreed in advance." The Advisory Council agreed at their last meeting to change the date of next year's meeting to Friday, January 30 to coincide with the NANOG meeting that will be held in San Francisco beginning Monday, February 2.

As for locations for the Board meetings in January and August those are listed as TBD but would welcome location options.
