ARIN Caribbean Outreach Is Evolving

Multi-streamed engagement platforms for policy participation, institutional relationships, and technical capacity building

Expanded reach

Government, regulatory, diplomatic, justice, and youth-facing spaces

Different framing

Resilience, autonomy, IPv6, routing security, and governance relevance

Current Focus

Convert visibility into repeat participation and policy engagement

Significant Engagement Milestones

Key milestones from October 2025–April 2026

16 Oct

CTU ICT Week 2025

Digital resilience, RPKI interest, IPv6 planning, number resource autonomy

12 Nov

ARIN Diplomatic Forum

Washington, D.C. convening on diplomacy, secure infrastructure, and development priorities

1–5 Dec

CCS 2025

Grenada forum expands justice, youth, and coalition-building reach

19 - 20 Mar

Caribbean Datacenter Association

Advancing number resource and critical internet infrastructure resilience

April 17 - 18

CARIBNOG 31

Major engagement with Jamaica Stakeholders

Tracking Trends

Caribbean Trends to Track

Three changes stand out across the reporting window

1. Hot Topics

- Digital resilience
- Digital sovereignty
- Cybersecurity
- Regulatory harmonization
- Artificial intelligence

2. Tech Community Hot List

- Internet Exchange Points (IXPs), IPv6, Autonomous System Numbers (ASNs), routing security
- Data privacy / local hosting
- Cyber readiness & response
- Trust

3. Geopolitics

External developments leading to increasing calls for practical Caribbean coordination on **security**, routing **resilience**, and technical **capacity**.

Priorities for the Next Period

Focus: conversion, continuity, and a stronger runway into Miami

1

Deepen government and diplomatic follow-through

2

Expand practical education on ARIN services, policy, and routing security

3

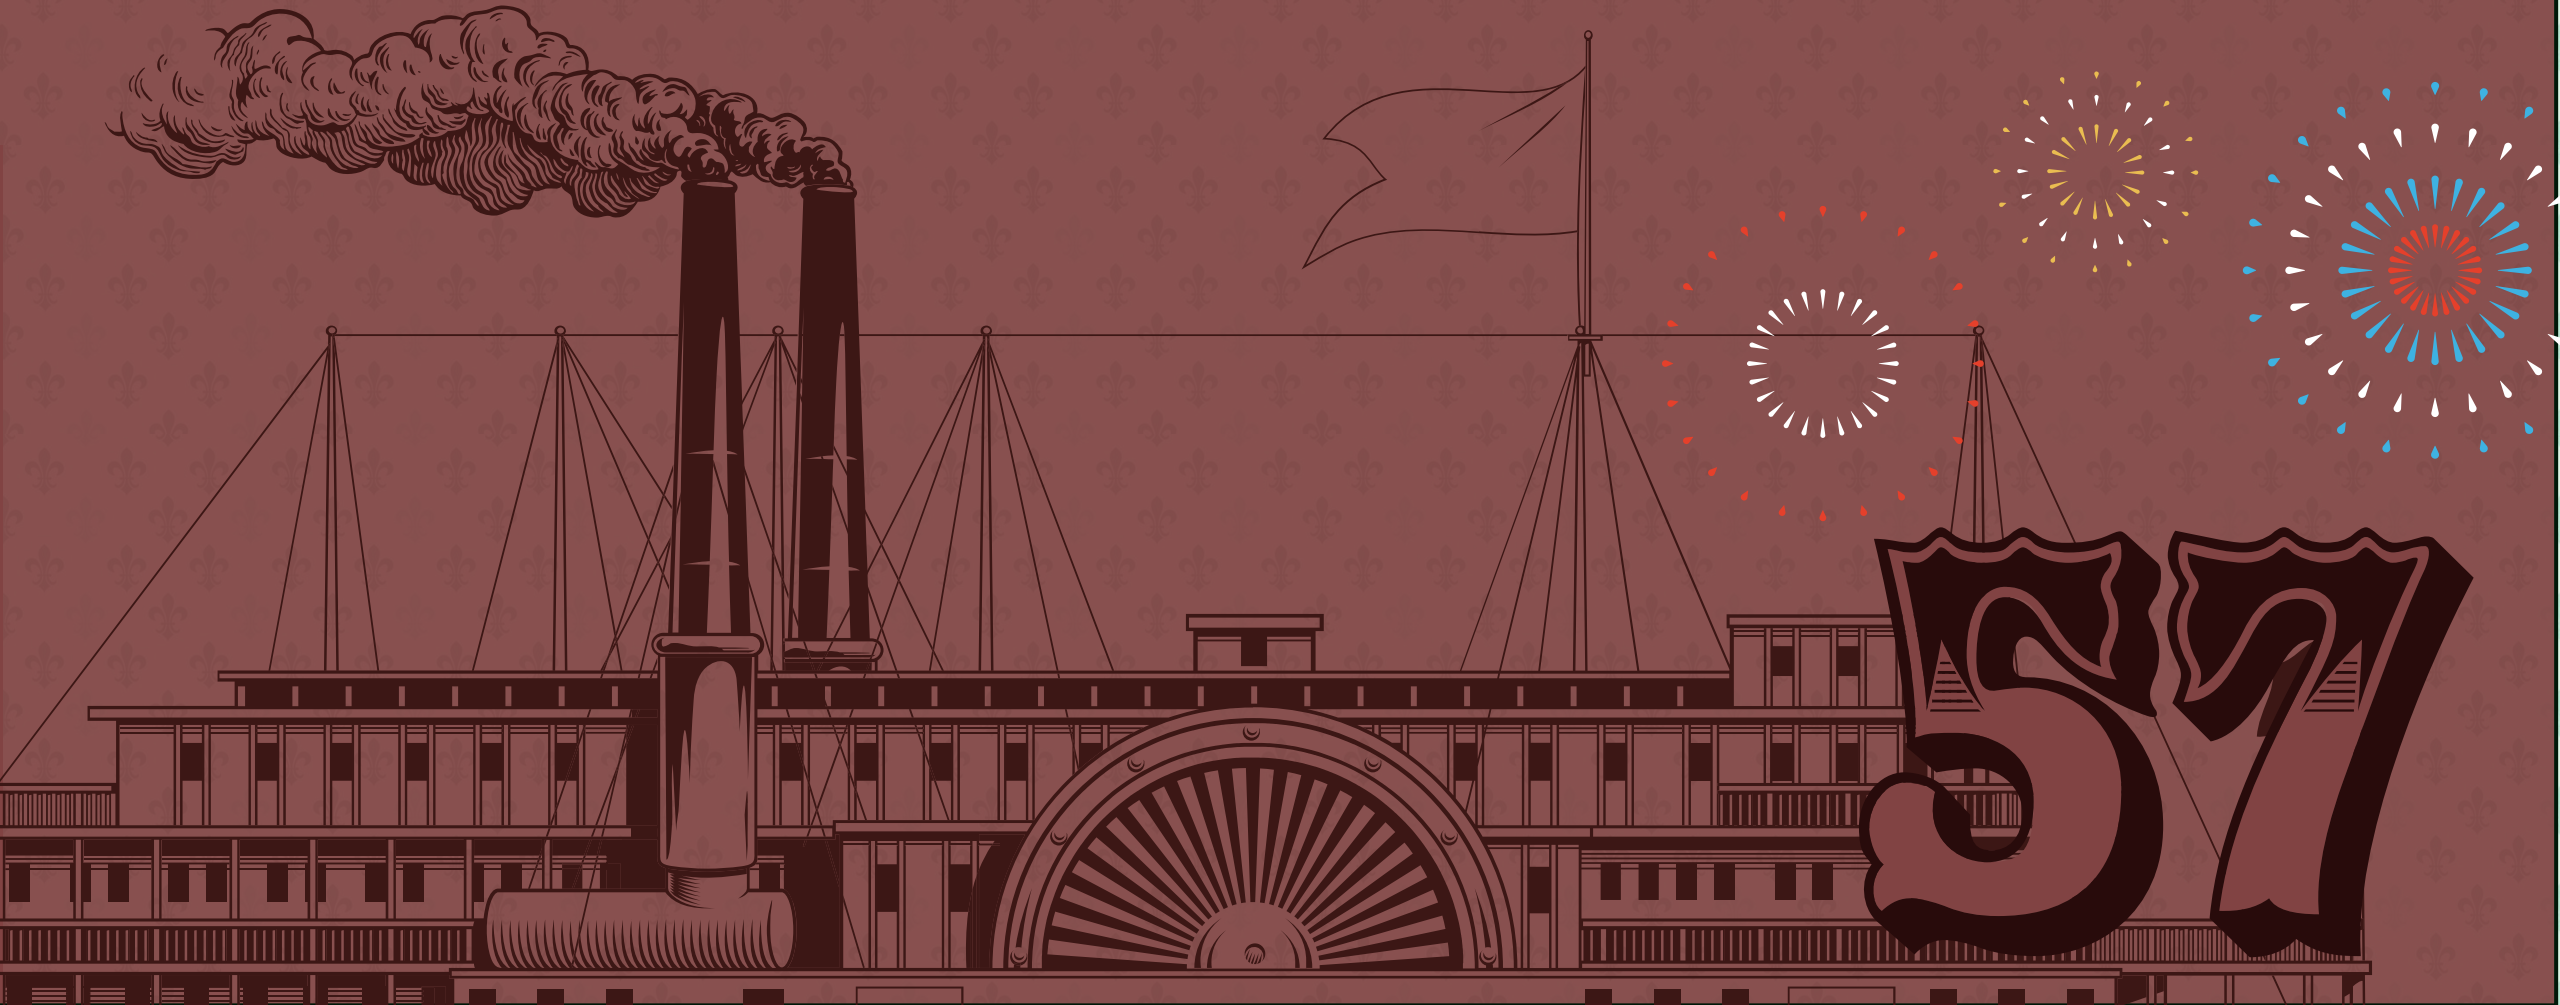

Strengthen regulator, operator, and institutional relationships

4

Build deliberately toward ARIN 58 in Miami as the next major regional opportunity

Recent and upcoming events: 31 March, ICT Forecast meeting | 14–16 April, CaribNOG 31, Kingston | 22–23 October, ARIN 58, Miami
