TRANSCRIPTION

ARIN offers live transcription of the meeting at arin.net/ARIN57transcript, or on monitors in the room for in-person attendees.

PARTICIPATION

If you speak at the microphone or ask a question virtually, please remember to provide your name and affiliation. If you're in person and want to ask a question, but don't feel comfortable at the open microphone, submit your question through the Zoom chat! Use the link in your daily email to access.

STANDARDS OF BEHAVIOR

ARIN is committed to supporting a productive, safe, and inclusive environment for all participants at ARIN events. Any person who takes part in an ARIN event is subject to the [ARIN Participants Expected Standards of Behavior](#).

VIRTUAL ATTENDEE INFORMATION

ARIN will send you an email each morning that will contain a link to access that day's session via Zoom. It will also contain a link to the agenda, where you can find PDFs of the planned presentations for that day so you can follow along at whatever size and pace works best for you.

You may also access the event by visiting the ARIN 57 website at arin.net/ARIN57, logging in to your account, and selecting the Virtual Event Hub under the Virtual Participants dropdown.

If you aren't interested in participating (asking questions or providing feedback), you may opt to watch our YouTube livestream at arin.net/streamARIN57. Please note the livestream is a bit delayed from the Zoom event.

CHAT: Chat is an open discussion and will be monitored for appropriateness. Questions and comments typed in chat will not be queued for the presenter.

Q&A: Have a question or comment for the presenter? Please use the Q&A tab to submit your question, and don't forget to provide your name/affiliation. Raising your hand in the participant panel lets us know you are still typing your question or comment in the Q&A section so we know to hold.

NOTE: Only ARIN Virtual Hosts are permitted to share links in the Zoom chat.

IN-PERSON ATTENDEE INFORMATION

Each morning, ARIN will send you an email that contains information about that day's session. If you're unable to make it in person, or wish to log in to the Zoom session to participate, the email will also contain a link to the virtual session.

WHAT TO WEAR?: We recommend business casual, or "comfortably professional." Don't forget to pack a second layer — sometimes conference rooms can run cold!

MEALS: Breakfast and lunch are provided for each day of the meeting except for the last day — only breakfast is provided on that day. Coffee and beverages are available throughout the meeting, and we also offer break opportunities in case you need to catch up on work.

THE POLICY DEVELOPMENT PROCESS

POLICY PROPOSAL

An idea for a policy that is submitted to the Policy Development Process (PDP).

DRAFT POLICY

A Policy Proposal that is complete and in scope for the PDP is accepted by the Advisory Council and becomes a Draft Policy.

RECOMMENDED DRAFT POLICY

A Recommended Draft Policy is the result of a Draft Policy being fully developed. A Draft Policy becomes a Recommended Draft Policy once the Advisory Council believes with a high likelihood that the Draft Policy satisfies ARIN's Principles of Internet Number Resource Policy. Recommended Draft Policies must undergo

community consultation and a "Last Call" period before being considered for adoption.

ADOPTED POLICY

A policy that has been adopted by the ARIN Board of Trustees. Adopted Policies are added into ARIN's Number Resource Policy Manual (NRPM).
