

RIR Governance Document Update

Michael Abejuela
ARIN Chief Legal Officer

Progress and Next Steps

- The NRO EC has provided the document to ICANN for consideration
- RIR and ICANN teams have been meeting all week at ICANN 87 and discussions have been very productive
- We are all committed to completing this process as quickly and diligently as possible
- Updates on the next stage of community engagement after ICANN 87

Key Milestones

- Last call on final draft
- Public Comment Process
- Adoption of the document by RIR and ICANN Boards
- Development of implementation procedures by the RIRs and ICANN
