At ARIN XV

# NRO

- Formed by the Regional Internet Registries to formalize their co-operative efforts, the NRO exists to protect the unallocated Number Resource pool, to promote and protect the bottom-up policy development process, and to act as a focal point for Internet community input into the RIR system.

# NRO Number Council

- The members of the NRO Number Council shall include:
- One person appointed by the Board of each of the RIRs.
- Two individual members selected via an open, accessible, documented and transparent procedure by the regional policy forum of each RIR.

# ICANN ASO Address Council

- The ASO Address Council shall consist of the members of the NRO Number Council.
