

ARIN | 41

MIAMI, FLORIDA | 15-18 APRIL 2018

Caribbean Update

Bevil Wooding

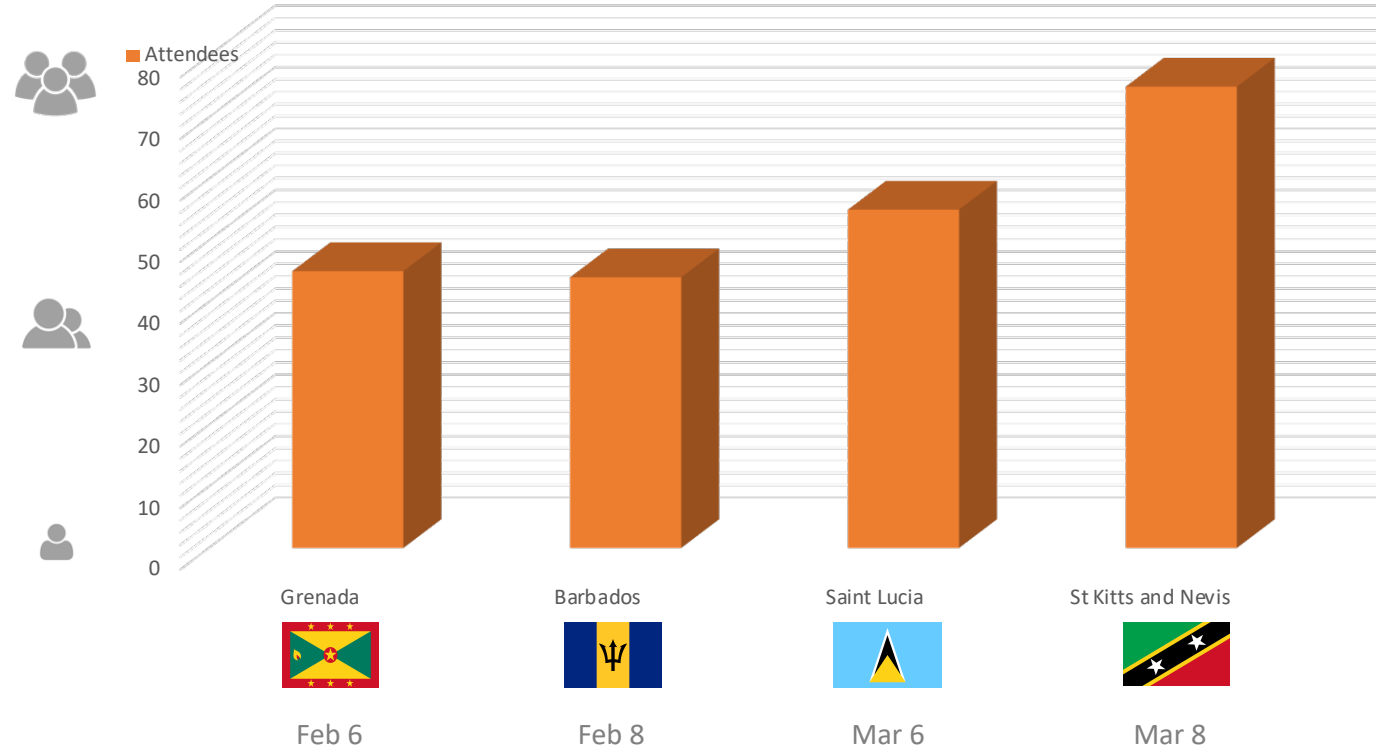

Caribbean Outreach Liaison

What's Been Happening

Kicked off ARIN in the Caribbean Events (ACE)

- 4 countries
- over 200 participants

ARIN Caribbean Events

Key Talking Points

- Why Network Resilience Matters
- How ARIN Can Help
- What Practical Steps Can Be Taken

Consistent Community Feedback

TOP PRIORITIES

1. Network Resilience
2. Network Autonomy
3. IPv6 Adoption
4. Network Security
5. Technical Capacity Building

Forging New Collaborative Partnerships

- **OECS** – the Organization of Eastern Caribbean States
- **APEX** – the Caribbean agency for Judicial, legal and law enforcement technology

Noteworthy Public Interest

Media coverage reflects interest from across the region in ARIN activities

Supporting Partners

- **Greater Participation** in Relevant Activities in the Caribbean

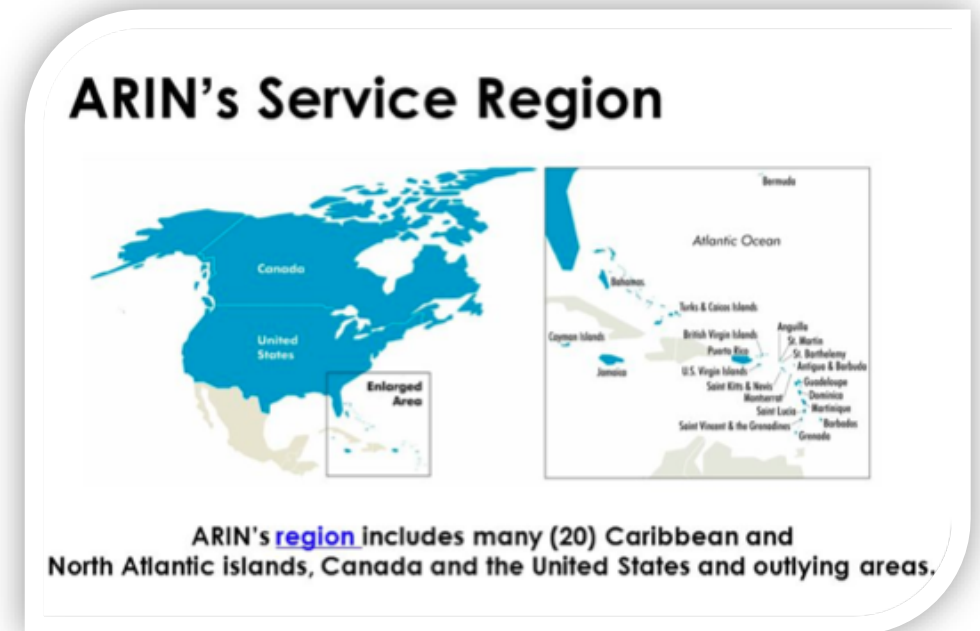

- **Stronger Collaboration** with respective member communities

Developing the ARIN Region

- **Increasing Caribbean contribution** in ARIN Policy Development
- **Increasing Caribbean participation** in ARIN Community

This Week...

- Official Launch of ARIN Caribbean Forum
 - **Activities with CaribNOG** at CaribNOG 15
 - **Public Policy Workshop** with CTU
 - **Cyber Collaboration Workshop** for Regional Law Enforcement
