Highlights:

- ★ This is a global policy proposal to define the policies under which the IANA will allocate IPv4 address space to the Regional Internet Registries (RIR).

Policy Proposal 2003-12

- * It has already appeared on the public policy agendas of the APNIC and RIPE NCC meetings. This policy proposal will also be discussed at the next LACNIC public policy meeting.**
- * Following discussion in all four regions, the proposal and discussion results will be forwarded to the ICANN ASO Address Council for review and submittal to the ICANN Board, as it is considered a global policy proposal.**
