

IANA to RIR IPV6 Allocation Proposal

IANA to RIR Allocation of IPv6 Address Space

- ★ **Not Yet a Formal Policy Proposal**
- ★ **Will be Global Policy Proposal**
- ★ **A New Draft Document Soon to be Released**
 - ▶ Very similar to IPv4 document
 - ▶ Intended to establish policy of IANA to RIR IPv6 Allocation
 - ▶ Will use HD Ratio to determine RIR utilization rate
- ★ **Document Review**
 - ▶ Regional Level – RIR (ARIN) community review
 - ▶ Global Level – ASO AC and ICANN Board

Minimum

Size - 18 Month Necessary Space
Unit - /20

IANA to RIR Allocation Policy

New RIR Criteria

/20

Regardless of:

Utilization

Transferred Space

Additional Space Criteria

Available Space < 50% of 1 /20 Block

OR

Available Space < Necessary Space
