

IPv6 WG Meeting

Thomas Narten

narten@us.ibm.com

ARIN XII

October 23, 2003

Agenda

- Policy Proposal 2003-4

Disposition of 2003-4

- Discussed at ARIN XI (Memphis)
 - No consensus
 - Outright opposition to parts
 - Support for some of issues raised (if not for solution)
 - Desire to coordinate globally
- Some followup discussion within AC
- No followup on public lists
- Proposal: abandon current proposal as whole, pursue parts on global-v6

Proposal Details

- Clarify definition of “organization”
 - Followup on global-v6
- Waiver of criteria of 200 sites
 - Followup on global-v6 (address underlying issue)
- Waiver of fees
 - Submit a separate proposal on just this (if necessary) to ARIN
- Micro-allocations
 - Drop this (global-v6 would be place to pursue this first)
- Questions/Discussion?
