SPECIAL PROJECTS

- **FRIDA Program** – www.programafrida.net
 - It is a joint initiative of LACNIC, The Institute for the Connectivity in The Americas (ICA) and the International Development Research Center – IDRC (Canada) and supported by Internet Society (ISOC) and GKP.
 - Small grants program to support research in ICTs in Latin America. U\$S 480 k in total.
 - 12 projects already approved.
 - Call 2005. Deadline 28th February.
- **+Raíces** - <http://lacnic.net/en/raices/>
 - Deployment of F-Root in LACNIC region.

OTHER IMPORTANT ISSUES

- New procedures available for return resources.
- 316 ASN's holders with whom LACNIC didn't have contact. A direct contact campaign has held during 2004. Updating information, collecting fees.
- We also held a campaign to contact all of our members to:
 - Inform them about elections and LACNIC VII
 - Encourage them to update their information in the Database.
 - Promote the subscription to our lists
 - Know what they think about our services.
- Very good results of those campaigns during 2004. 32 % of the members participated in the election for board members.
- Planning new actions of this type for April 2005.

- High involvement in Internet Governance discussion. (WSIS, WGIG, Regional forums)
- Customer oriented services.
 - Better services
 - Better communication
- Strategic planning.
