What is RSD up to?

- On-going outreach to Legacy space holders
 - Letters to 14,301 Class C registrants
- Suggestion 2008.17

"If ARIN would add a "last contacted date" to the whois database, and begin a process of contacting all orgs that have not been contacted in over a year, it would help the rest of us who use the whois database."

- *In Jan 08, update requests going to ~35,000 registered POCs*
- *Adding "last contacted" field to Whois*

What is RSD up to? (cont'd)

- Lame Delegation Testing and Follow-up
 - Delegations tested daily until test good or removed
 - If still lame after 30 consecutive days of testing, POCs notified
 - If still lame 30 days after initial notification, POCs notified again
 - If still lame 30 days after second notification, delegation analyzed manually; name servers stripped if delegation determined to be inoperative
