Welcome to ARIN XXV

Welcome to Toronto for ARIN XXV! We have a terrific lineup over the next few days, so make sure you catch all the action! In addition to the agenda for the Public Policy and Members Meeting, we have a number of activities scheduled, including a luncheon to welcome first-time ARIN attendees, a “Hosting Providers & ARIN” session, the ARIN Online Demonstration, the Introduction to the Policy Development Process, and Open Policy Hour. The Public Policy Meeting features discussions of eight policy proposals, reports on activities within the Internet community, and open microphone sessions. The Members Meeting features updates from each ARIN department, the Advisory Council and Board of Trustees, the Treasurer and an open microphone session.

As important as the agenda items are, we know you also come to ARIN meetings to talk with colleagues and others in the community. Join us Sunday night for Happy Hour, and take a ride with us on Monday evening to our Social at the Academy of Spherical Arts where you can unwind, have some fun, and mingle with ARIN staff and friends old and new. In addition, the Toronto Internet Exchange (TorIX) invites all ARIN XXV attendees to join them for a social event on Tuesday night, featuring a free poker tournament held right on the old Toronto Stock Exchange trading floor!

You'll find details about all these activities and a complete agenda in this meeting program. The most current information is available at <https://www.arin.net/ARIN-XXV/>. If at any time you have any questions, please let a member of the ARIN staff know. To help you identify us, we wear gold-colored badge holders. We hope you find the meeting informative, productive, and enjoyable. Please join other attendees in sharing experiences with IPv6, ARIN XXV, or other related stories and topics on the Team ARIN Facebook page at <http://www.facebook.com/TeamARIN>, or on Twitter at <http://twitter.com/TeamARIN> using the #ARIN25 hashtag.

First Timers' Luncheon 12-1:15 PM

Location: Ontario & Niagara Rooms (Lower Lobby)

Need to know more about the meeting format or what ARIN does?

Join representatives from ARIN's Board of Trustees, Advisory Council, NRO Number Council, and management team for an informal chat. A combination of short presentations and table discussion will help you feel at home when the meeting begins. This is a great opportunity to ask questions and learn firsthand how you can become an active member of the ARIN community.

The luncheon will take place in the Ontario & Niagara Rooms (Lower Lobby). Attendees who complete the First Timers' Luncheon Survey are automatically entered into a raffle for a \$100 Gift Certificate to ThinkGeek.com.

Hosting Providers & ARIN 1:30-3:30 PM

Location: The Ballroom

Richard Jimmerson, ARIN's CIO, will moderate this two-hour meeting devoted exclusively to ARIN's hosting provider community. David Huberman, ARIN Technical Specialist, will give a presentation highlighting sections of ARIN's Number Resource Policy Manual that are germane to the hosting provider community. With the imminent depletion of the IPv4 resource pool and the pressing need to adopt IPv6, it is critical that hosting providers understand how to access resources from ARIN. Hosting providers and related companies will also describe their experience deploying IPv6 and share what worked well, what didn't, and how they overcame obstacles. An open question and answer session will conclude this event.

ARIN Online Demonstration 3:45-4:30 PM

Location: The Ballroom

Get a guided tour of ARIN Online functionality. Come see what is new as we make ARIN Online your best tool for requesting and managing resources.

We have more than 14,000 individual registered users – are you one? You should be! Come to the demonstration and find out what you can do and where we are going with ARIN Online.

Introduction to the Policy Development Process 4:45-5 PM

Location: The Ballroom

Want to learn about the Policy Development Process (PDP) or just get a better understanding of how the policy process works? This brief session provides an overview of the process, highlighting key points, and will feature a presentation that will get you up to speed on the PDP.

Open Policy Hour 5:00-6:00 PM

Location: The Ballroom

The Open Policy Hour will give you a preview of what will be discussed at the Public Policy Meeting. You also have a chance to "test drive" new policy ideas. The Open Policy Hour consists of two parts:

Part One – Draft Policy Background Briefing: ARIN staff provides summary information regarding the draft policies to be discussed at this meeting. Representatives from the Advisory Council will answer general questions about the policy proposals. The intent is to help provide understanding about the nature of the proposals,

not to discuss the pros or cons of the draft policies. ARIN staff also provides a Policy Evaluation and Feedback Report, which includes a staff evaluation of current ARIN policies, based on experience in policy implementation and application, as well as feedback provided by customers.

Part Two – Policy Proposal Birds-of-a-Feather (BoF): If you have a policy suggestion for which you would like to receive feedback, here is your opportunity. You'll be given a few minutes to present your idea before other attendees are invited to comment.

Happy Hour 6:00-7:15 PM

Location: Caledon & Oakville Rooms

After the Open Policy Hour, we hope you will join us to celebrate the opening of our 25th community meeting. Take this opportunity to meet and engage with friends, colleagues and ARIN staff. It's a great way to connect with other attendees before the Public Policy and Members Meeting officially kicks off. Be sure to try our signature cocktail, the ARINtini! Hope to see you there!

MONDAY

ARIN Social 6:00-10:00 PM

Location: Academy of Spherical Arts

Prepare for a night of Jazz, pool, and poker as you join us at the Academy of Spherical Arts for the ARIN XXV Social. We'll be guests of Canada's finest cue sports facility, with over 20,000 square feet of art-infused wall space and 14 beautiful antique billiard tables. ARIN invites all meeting attendees to watch a pool pro strut his trick shot stuff, and enjoy scotch and beer tasting, jazz, poker tables, and the excellent food and beverage selections available at the Academy. Rack 'em up! For additional information, visit

<https://www.arin.net/ARIN-XXV/social.html>.

Guests, Badges, and Transportation

Registered attendees may bring one guest, at a cost of \$30. The fee may be paid by cash or check and must be paid in full when you check in at meeting registration.

You will find your name badge for the Social in your registration packet. You will need this to board the buses, which will begin loading at 5:45 PM outside the lower lobby. ARIN staff will be directing folks to the buses, so look for the gold badges.

Return bus service will be available beginning at 7:00 PM, and buses will shuttle from the venue to the hotel until 10:00 PM.

TUESDAY

Social on the Trading Floor 7:00 PM

Location: The Design Exchange

The Toronto Internet Exchange (TorIX) invites all ARIN XXV attendees to join them for a social event on Tuesday night, featuring a free poker tournament held right on the old Toronto Stock Exchange trading floor! Take a stroll to the Design Exchange (DX) just a few blocks away from the Intercontinental Toronto Centre to compete for some terrific prizes. Food, drinks, other casino-like gaming options and museum floor touring will also be available. For more information on the DX, please visit <http://www.dx.org/>. The Tuesday night social is sponsored by: TorIX – The Toronto Internet Exchange; FONEX Data Systems, Inc.; Hurricane Electric; Telnet Communications; and BTI Systems.

Meeting Survey - Share your views

ARIN XXV wouldn't have been the same without you! We need your feedback to make future meetings even better. Go to <https://www.arin.net/ARIN-XXV/survey.html> and tell us what you thought. Surveys must be completed by Wednesday, 28 April 2010 at 5:00 PM (EDT).

All respondents will be entered into a raffle. Only one raffle entry per attendee will be allowed. One winner will be chosen at random and notified via e-mail, followed by an announcement on the ARIN website by 30 April 2010. The winner will receive an OWLE iPhone Video/Audio Rig. We look forward to receiving your feedback!

Consolation Raffle

You didn't win a prize from the First Timers' Luncheon or for your response to a daily survey? Don't worry! You can still win in our BIG raffle! All entries from our First Timers' Survey and the daily surveys, as well as remote and attendee meeting surveys, that weren't picked at an earlier drawing, will be entered in a raffle for a Nintendo Wii! This general prize drawing will take place on 30 April and the winner will be announced along with the Meeting Survey prize winner.

LUNCH TABLE TOPICS

Join a Topic Table

Advisory Council representatives will be hosting discussions on topics posted at tables around the room Monday and Tuesday. Please join any table during the luncheon that has a topic you would like to learn more about or to share your ideas.

- **Proposal 109: Standardize IP Reassignment Registration Requirements**
- **Government Participation in the ARIN Policy Process Discussions**
- **IPv6 Operational Experience and Deployments, Lessons Learned**
- **The Policy Development Process 1 Year Review**

Daily Survey Drawings

Don't forget to go to <https://www.arin.net/ARIN-XXV/survey.html> to complete the daily survey! Random drawings will determine the winners. The winner will be selected at the opening of the meeting on the following day. The selection of the winner of the Wednesday survey will be announced with the winners of the Meeting Survey & Consolation Raffles. Please note that you do NOT need to be present to win a prize.

Prizes include:

- Mini 300Mbps Wireless N Travel Router
- Freeloader Pico Solar Charger
- Carbon Offset Gift Certificate - \$120 (Equal to about one year offset for home energy use)

To be eligible, surveys must be completed and submitted between 8:00AM and 6:00 PM EDT. Surveys are open to both in-person and remote attendees, as well as the ARIN Community. You may only submit one survey response a day.

RULES & PARTICIPATION

Rules of Discussion

The Chair moderates discussions of formal draft policies so that all can speak and all can be heard. Accordingly, every person who participates in the Public Policy Meeting is asked to follow these simple rules and customs:

1. All persons have equal rights, privileges, and obligations.
2. Full and free discussion of all draft policies is the right of every person participating in the meeting.
3. Only one draft policy is considered at a time.
4. Persons should not speak in the discussion until they have moved to a designated speaker's position and have been recognized by the Chair and granted the floor.
5. Every time a speaker is recognized by the Chair, speakers should do the following:
 - a. State their name.
 - b. State their affiliation (organization, company, etc.).
 - c. State intent to support or not support the draft policy under discussion.
6. No person should speak a second time on the same topic if anyone who has not spoken on that topic wishes to do so.
7. No person should speak for more than three (3) minutes unless the Chair gives consent.

8. Speakers should direct all remarks to the Chair. They should not debate with other speakers or otherwise attack or question the motives of other speakers.
9. While the discussion is in progress, speakers may suggest amendments or other secondary proposals to the Chair, who will see them acted on accordingly.
10. Only the Chair may call for a poll to gain a sense of the participants regarding the draft policy under discussion, any part of that draft policy, any proposed amendment to that draft policy, or any secondary proposal. The Chair will state all questions before polling the participants and will explain what affirmative and negative responses mean.

Meeting Courtesies

Please keep **e-mail** and **web surfing** to a **minimum**.

Silence all cell phones, pagers, computers, and electronics.

Every time you speak at the microphone, state your **name** and **affiliation** for the benefit of those watching the webcast and for an accurate record in the meeting transcript.

REMOTE PARTICIPATION, PRESENTATIONS, & MEETING REPORT INFORMATION

Know someone who is interested in the discussions and presentations at the meeting, but is unable to attend? Please send them to <https://www.arin.net/ARIN-XXV/remote.html> to learn how to participate remotely in this and future meetings.

The entire ARIN XXV Public Policy Meeting and ARIN Members Meeting will be available via webcast with a live transcript of the proceedings. In addition, ARIN will be offering Jabber chat for registered remote participants to submit their questions and talk to other remote participants in ARIN meeting chat rooms. On Sunday, 18 April 2010 there will be a webcast of the ARIN Online Demo and "Hosting Providers & ARIN," as well as a webcast (with transcript) of the Introduction to the Policy Development Process and Open Policy Hour. The meeting broadcast begins Monday, 19 April 2010 at 9:00 AM EDT. No preregistration is required for viewing the webcast or live transcript; however registration is required for submitting questions and comments.

Presentations are often not received before the beginning of the meeting, but we make every effort to post them on our website as quickly as possible. To see what is available, please visit https://www.arin.net/participate/meetings/reports/ARIN_XXV/index.html.

The meeting report, including a discussion summary, presentations, and transcript will be available on the ARIN website on 4 May 2010 through the URL above; archives of the webcast will be added as soon as they are available.

Remote participants are invited to use the chat options to submit questions for inclusion in policy discussions and open microphone

sessions, vote in straw polls throughout the meeting, and talk with other remote attendees during the meeting. Jabber chat handles must be registered to vote and submit comments; however the webcast, live transcript and a general chat room will be open and available throughout. The online registration form is available at: <https://www.arin.net/app/meeting/registration>. Choose "ARIN XXV Remote Participant" as the registration type. You can register a Jabber handle at any time; however we will only be adding new users at scheduled breaks.

Chat Information

The chat rooms are for the express use of remote participants. Due to the critical nature of polling, and to preserve the integrity of the meeting record, you will need to register as a remote participant and register your Jabber chat handle in order to submit comments and questions and vote in straw polls.

On-record@conference.arin.net: In this chat, moderated by representatives from the Advisory Council, you will be able to ask questions for inclusion in the policy discussions. Questions will be entered into the discussion alternately with the microphone queues on the meeting floor.

Hands-up@conference.arin.net: When the chair poses a question, a moderator will submit it to the chat room, and participants will be given an opportunity to "raise their hands." The poll count will be included as part of the vote count in the meeting record and provided to the AC for use in its deliberations.
