P = Proposal
A = Adopted
LC = Last Call
AB = Abandoned

Discussion highlights at the other RIRs

- **IPv4**
  - AfriNIC: "The last /8" mandates that 90% must be used within region
  - AfriNIC: "Limited Out of Region Allocation of IPv4 Resources" will reserve one /8 for use by organizations outside their region, with /16 maximum and higher fees)

- **IPv6**
  - APNIC: "Multiple discreet networks"
